Amazon co uk Customer reviews Charles Dickens' A

This is a nice introduction to A Christmas Carol, especially for younger readers. This is an abridged version, but is based on that approved by Dickens himself. It is paced nicely, and the text is spaced out very well, with lavish illustrations and background information on Dickens, London, and the customs of the day.

Charles Dickens' A Christmas Carol A Young Reader's

This is a nice version of A Christmas Carol, but I was hoping it would be a more accurate reproduction of the first printing. It has a printed hardcover, but not leather with gilded graphic and text like the first edition was.
