### **A Wandering Heart by Thomas Kinkade Goodreads**

A Wandering Heart is such a tender, compassionate story. Full of love, romance, heart ache and hope that it is one of my favorite books. Writing this review is sweet and hard for me at the same time. I just love this style of writing, but am saddened that Thomas Kinkade won't be writing anymore since he is now gone from us, but I'm hoping Katherine Spencer will continue to write more in this series, because I've come to love the characters and places so much.
