### **Articles Canadian Social Studies**

To respond to this pedagogical and personal question, we lean upon the work of Roger Simon and life writing as a form of curriculum theorizing, as currere,<sup>2</sup> to deconstruct and reconstruct our estrangements from the historical narratives that were, and in many ways still are, absent from our lived experiences with Canadian social studies and history curricula.

### **Provoking the very Idea of Canadian Curriculum Studies**

Much like this program, the very idea of Canadian curriculum studies is bound together by stories of counterpointed historical movements. Inspired by the nocturnal sensibilities of Ishiguro's stories, Smits (2011) asks us to reconsider, such historical movements within our field as the play of counterpoint where scholars might interweave diverse chords and voices but also discordance or dissidence, offering in turn, both complexity and the invitation to hear each
