How is Jurisdiction Determined in a Multi State Child

Jurisdiction is the power of the court to actually decide a dispute. When parties to a custody dispute (typically a parent but it can be any caregiver who claims a right to custody or visitation with the child) live in different states, it is important to understand which states might have the power to decide that child's custody.

What are California's Child Custody Jurisdiction Laws

Child custody jurisdiction, in large part, depends on what state is the child's home state. Whether or not the concept of home state applies in a given situation depends on the specifics of the case. It is because of the complexities of questions like this, that anyone with concerns about jurisdiction and custody should contact a lawyer.
