My four year old son is oppositional His teachers have

I know part of the development of four year olds is learning how much authority they really possess in the world. They can be bossy and temperamental. I have had serious issues with his daycare in the past and have considered changing it, but he's been there since he was 3 months old, and as a single mother I feel that the

How A Child Develops Develop Skills

This includes experiences children have in their home, school and community environments. Some people refer to this as "nurture." The environment can either improve or harm a child's genetic

blueprint. For example, malnourished children who live in third world countries may not reach their IQ potential because of the impact of their environment on their brain development.

Has the feminist movement backfired Yahoo Clever

A study at Harvard University has indicated that 37% of working mothers suffer from depression due to stress from missing their children's early development years. I'm all for equal rights for women, especially in the work place but do you think this problem is caused by women unnaturally denying their basic instincts of caring

Design for Kids Based on Their Stage of Physical Development

9. Summary: As kids physical development throughout childhood changes, so do their physical abilities, constraints, and device preferences. Touch gestures such as swiping and tapping big targets are easy for all children, but fine mouse or trackpad gestures such as dragging are hard for young kids.
