Ending Poverty in America: How to Restore the American Dream appears at a time when millions of poor and working families are struggling to attain the

Ending Poverty in America: How to Restore the American ...

Ending Poverty in America is timely because the poverty rate in the United States has changed little since the 1960s era of the Great Society and civil rights movement. From 1959 through 1969, according to the U.S. Census Bureau (2008b), the percentage of people who were poor declined from 22.4 percent to 12.1 percent.

Ending Poverty in America: How to Restore the American ...

Is poverty a fact of life? Can the wealthiest nation in the world do nothing to combat the steadily rising numbers of Americans living in poverty - or the 50 million American's living in 'near poverty'? Senator Edwards and other prominent scholars, businesspeople, and community activists say otherwise.

I recently purchased Ending Poverty for a paper i had to write and it came in as a great resource for my research on Poverty. The book includes graphs and numerous statistics along with John Edwards input on various aspects of poverty, making it an excellent resource for not only my college paper, but most surely for others.
