Is Everyone Hanging Out Without Me And Other Concerns

It's nice to read a book with a very positive message that is not simple or stupid. This is a different kind of success story: it's about hard-working without giving up the fun. Mindy tells us about her life, her geeky childhood, collage years and how she ended up doing what she loves the most: the world of comedy. The story's not perfectly linear, there are funny lists, and a few part is about the human stupidity she had to deal with as a plus size woman.
