### **Mr H Reads A Snicker of Magic**

The problem with A SNICKER OF MAGIC is that I am not the ideal reader for this book. I understand that that is not really a problem with the book itself at all. Many of my 5th grade girls, who love to live in the clouds, are the ideal readers for this book. Being reminded of Appelt and Law's style of writing, made it really difficult for me to appreciate the language in the book, which I usually do not have a problem with despite not being a member of its ideal audience.

And the conclusion is nothing short of Dickensian! What a great read! Summary: this book is about a girl who always moves around the world. One day she moves to a place that used to be magical but now not so much anymore. Felicity meets new friends and tries to get the magic back on the city. My Opinion: it was great but there was one part that I think they should add in about her dadChristian Worldview: It is involved with a lot of magic and there is no such thing.
