Skaldsagas Text Vocation and Desire in the Icelandic

Eleven papers present broad discussions of a small group of sagas which chronicle the lives of Skalds, court poets, and provide a vivid and entertaining portrait of poetry, love and warfare. The contributors examine the typical features of the skald sagas, their date and authorship, the relationship between verse and prose, their composition, characterisation and their relationship with other Icelandic and European genres. The sagas discussed are Bjarnar saga , Gunnlaugs saga , Hallfredar

Men in the Middle Local Priests in Early Medieval Europe

This volume studies local priests as central players in small communities of early medieval Europe. As clerics living among the laity, priests played a double role within their communities: that of local representatives of the Church and religious experts, and that of owners of land and other goods.
