The Foucault Effect Studies in Governmentality Michel

Foucault's thoughts on political discourse and governmentality are supplemented by the essays of internationally renowned scholars. United by the common influence of Foucault's approach, they explore the many modern manifestations of government: the reason of state, police, liberalism, security, social economy, insurance, solidarity, welfare, risk management, and more. The central theme is

Governmentality Notes on the Thought of Michel Foucault

This continued study is the legacy of the Foucault effect . To persist to explore the different ways in which an activity or art called government has been made thinkable and practicable . 22 Why study governmentality? is a question Foucault asked in 1978; to tackle the problem of state and population, was his reply.

Foucault Governmentality and Critique

Foucault coins the concept of "governmentality" as a "guideline" for the analysis he offers by way of historical reconstructions embracing a period starting from Ancient Greece through to modern neo-liberalism (Foucault 1997b, p. 67).

Governmentality Notes on the Thought of Michel Foucault

Governmentality for Foucault simply meant the conduct of conduct , which can be simplified as an activity meant to control the conduct of people. This included various forms of relations such as private interpersonal relations, relations in social institutions and communities, relations with self, but what concerned Foucault the most was the relations in the political domain, i.e
