The Spiritual Doorway in the Brain A Neurologist's Search

Nelson is a neurologist who is looking at people who have near death experiences and trying to understand what the brain may be doing. "Understanding the brain as a spiritual organ strengthens our quest for meaning and complements a mature spirituality". I agree and hope a lot of people will read his book.

The Spiritual Doorway in the Brain A Neurologist's Search

This is the second time that I read The Spiritual Doorway in the Brain by Kevin Nelson. As much as I enjoyed it the first time, I believe that I enjoyed it even more the second time. The author utilizes a sceptical approach to near death experiences, offering a strong neurological explanation for the phenomenon. He cites research performed by various experts in the field of neurologist

The Spiritual Doorway in the Brain A Neurologist's Search

the spiritual doorway This is a fairly technical book but I thought very informative. I am not very scientific so it was a struggle for me personally, to fully stay in tune with that part of the book but there are also plenty of layman's explanations to keep my interest.
